The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Special purpose financial report

In the directors' opinion, the company ('Registered Entity') is not a reporting entity because there are no users dependent on general purpose financial reports.

This is a special purpose financial report that has been prepared for the purpose of complying with the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act). The financial report includes disclosures to satisfy requirements under the Charitable Fundraising Act 1991 (NSW) and related Charitable Fundraising Authority Conditions. This financial report should not be used for any purposes other than those stated in this paragraph.

The financial report has been prepared in accordance with Australian Accounting Standards (including Australian Interpretations) adopted by the Australian Accounting Standards Board and the ACNC Act. It contains the disclosures that are mandatory under the Accounting Standards and those considered necessary by the directors to meet the needs of the members. The Foundation is a not-for-profit entity for the purpose of preparing the financial statements.

The financial report has been prepared in accordance with the requirements of the ACNC Act and the following Australian Accounting Standards:

- AASB 101 Presentation of Financial Statements
- AASB 107 Statement of Cash Flows
- AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors
- AASB 110 Events After the End of the Reporting Period
- AASB 1031 Materiality
- AASB 1048 Interpretation of Standards
- AASB 1054 Australian Additional Disclosures,

as appropriate for not-for-profit oriented entities.

(ii) New, revised or amending accounting standards and interpretations adopted

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2022 reporting periods. The Foundation has assessed these standards and interpretations and decided not to early adopt them for the 30 June 2022 reporting period. The potential impact of these standards is currently being assessed for future reporting periods.

Historical cost conventions

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and liabilities.

Critical accounting estimates

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Foundation's accounting policies. Other than disclosed in the respective notes, there are no other material critical accounting estimates used in the preparation of the financial statements.

The Surf Life Saving Foundation

Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies (continued)

(b) Revenue recognition

The Foundation's revenues are derived primarily from philanthropic and commercial fundraising activities along with the receipt of tied and general donations received in the ordinary course of the Foundation's operations. Revenue from these activities is recognised as the performance obligations are satisfied, or in circumstances whereby performance obligations are not sufficiently specific or enforceable, revenue is recognised immediately on receipt or at the point in time when the right to receive payment is established.

Specifically for philanthropic activities, revenue is recognised under AASB 1058 when received, unless there are specific performance conditions attached to the amount received, in which case, revenue is deferred until such time as the performance conditions have been met.

Commercial income is recognised under AASB 15 at a point in time when the lottery has been drawn as this correlates directly with when the performance obligation has been satisfied. Receipts from lotteries not drawn at year end are recognised as revenue in advance.

All other revenue / income is recognised on receipt or when the right to receive payment is established.

(c) Distributions recognition

Distributions represent amounts distributed to Surf Life Saving entities. Distributions are recognised during the reporting period when the amount can be reliably measured and is appropriately authorised.

(d) Taxation

The Foundation is exempt from income tax.

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

The gross amount of GST recoverable from, and payable to, the taxation authority is included as part of receivables and payables in the Statement of Financial Position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

(e) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies (continued)

(f) Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

The Foundation has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue. The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent invoicing experience and historical collection rates.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

(g) Fundraising Prize Bank

The Fundraising Prize Bank consists of property purchases, and other prizes to be offered in future lotteries. Other costs, that are not associated with prizes, which relate to future lotteries, are expensed when incurred.

(h) Plant and Equipment

Plant and equipment is stated at historical cost less accumulated depreciation and any impairment losses. Depreciation is provided on all plant and equipment. Depreciable assets under \$1,000 are immediately expensed. The depreciable amount of plant and equipment over \$1,000 is calculated using the straight line method to allocate their cost, net of their residual values, over the estimated useful lives as follows:

Class of Asset	Depreciation Rate/Useful Life
Plant and equipment	2.5 – 5.0 years
Leasehold Improvements	1.5 – 6.5 years

(i) Impairment

The carrying values of plant and equipment are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. An impairment exists when the carrying value of an asset exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount. Impairment losses, if any, are recognised in the Statement of Profit or Loss and Other Comprehensive Income as a separate line item.

(ii) Derecognition and disposal

An item of plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies (continued)

(i) Intangibles

Intangibles are stated at cost less accumulated amortisation and any impairment losses.

Amortisation is provided on all life intangible assets that have a finite life. The amortisation amount of intangible assets is amortised on an appropriate basis over the useful lives of the assets to the Foundation commencing from the time the asset is held ready for use. The amortisation methods and rates/useful lives used for each class of asset are:

Class of Asset	Depreciation Rate/Useful Life
Computer Software	4.0 years
Websites	2.0 years

(i) Impairment

The carrying values of intangibles are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of intangibles is the higher of fair value less costs to sell and value in use. An impairment exists when the carrying value of an asset exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount. Impairment losses, if any, are recognised in the Statement of Profit or Loss and Other Comprehensive Income as a separate line item.

(ii) Derecognition and disposal

An item of intangible assets is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit or Loss and Other Comprehensive Income in the year the asset is derecognised.

(j) Assets held for sale

Assets deemed available for sale are held at the lower of the sale price less any costs attributable to the sale and the original carrying value. Any loss is recognised in Statement of Profit or Loss and Other Comprehensive Income in that year with any profit on disposal recognised in the period in which the asset is sold.

(k) Trade and other payables

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Foundation. Trade accounts payable are normally settled within 7-30 days.

The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies (continued)

(I) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits and annual leave expected to be settled within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liability for annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables. Management expects to pay annual leave balances as at year end in the next 12 months.

(ii) Long-term employee benefit obligations

The liability for long service leave which is not expected to be settled within 12 months after the end of the period in which the employees render the related service is recognised in non-current liabilities provided there is an unconditional right to defer settlement of the liability for more than 12 months. The liability is measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period of government bonds with terms and currencies that match, as close as possible, the estimated future cash outflows. Remeasurements as a result of experience adjustments and changes in assumptions are recognised in the statement of profit or loss and other comprehensive income.

The Surf Life Saving Foundation

Notes to and forming part of the financial report for the year ended 30 June 2022

1 Summary of significant accounting policies (continued)

(m) Right-of-use assets and lease liabilities

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivable
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- Amounts expected to be payable by the Foundation under residual value guarantees
- The exercise price of a purchase option if the Foundation is reasonably certain to exercise that option, and
- Payments of penalties for terminating the lease, if the lease term reflects the Foundation exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Foundation, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance costs.

Right-of-use assets are measured at cost comprising the following:

- The amount of the initial measurement of lease liability
- Any lease payments made at or before the commencement date less any lease incentives received
- Any initial direct costs, and
- Restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Foundation is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise small items of office equipment.

Judgements and Estimates

Incremental borrowing rate

The Foundation is not able to determine the interest rate implicit in the lease, therefore management have determined the incremental borrowing rate taking into consideration entity and asset specific factors relevant to each lease.

The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

Note 12: Events occurring after the reporting period

Whilst the Coronavirus (COVID-19) pandemic is ongoing, and to date has had limited financial impact on the Foundation, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. Notwithstanding the current circumstances, the Directors are satisfied that the Foundation has sufficient cash reserves to meet its liabilities as and when they fall due for a period of at least twelve months following the date of authorisation of the financial report.

Other than the above, there are no material events occurring after the reporting period that require disclosure.

Note 13: Contingent liabilities

There are no material contingent liabilities that require disclosure. (2021: nil)

Note 14: Forward commitments

	2022	2021
	\$	\$
<i>Land and Prize commitments - operating</i>		
Committed at the reporting date but not recognised as liabilities, payable:		
Within one year	7,176,986	3,016,407
One to five years	1,210,500	1,210,500
More than five years	-	-
	<u>8,387,486</u>	<u>4,226,907</u>

The Foundation entered into land and property purchase contracts which had not settled as at reporting date.

The Surf Life Saving Foundation
Notes to and forming part of the financial report for the year ended 30 June 2022

Note 15: Corporate trustee

Right of Indemnity

The Foundation acts as the Trustee of the Foundation Perpetuity Trust (Trust). The Foundation has a right of indemnity out of the assets of the Trust in respect of the liabilities incurred by the Foundation as trustee. Based on the valuation of the assets in the Statement of Financial Position of the Trust as at 30 June 2022, sufficient Trust assets existed to fully indemnify the Foundation against liabilities incurred by the Foundation.

The Surf Life Saving Foundation
Statement by members of the board of directors

The Directors' have determined that The Surf Life Saving Foundation is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

In the Directors' opinion:

1. The financial statements, comprising the statement of profit or loss and other comprehensive income, statement of financial position, statement of cash flows, statement of changes in foundation funds, and accompanying notes, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and the Charitable Fundraising Act 1991 and:
 - (a) comply with Accounting Standards as described in Note 1 to the financial statements and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC Regulation 2013); and
 - (b) give a true and fair view of the company's financial position as at 30 June 2022 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. There are reasonable grounds to believe that the company will be able to pay all of its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Darrin Bragg
Chairman
30 September 2022

**The Surf Life Saving Foundation
Declaration by chairman**

Information required under The Charitable Fundraising Act 1991 (NSW)

The declaration by the Chairman of the Board of Directors of The Surf Life Saving Foundation (Foundation), in relation to the abovementioned Act, is as follows:

- (a) The Statement of Profit or Loss and Other Comprehensive Income gives a true and fair view of all income and expenditure of the Foundation with respect to fundraising appeals, and
- (b) The Statement of Financial Position gives a true and fair view of the state of affairs of the Foundation with respect to fundraising appeals conducted by the Foundation, and
- (c) The provisions of the Act, the regulations under the Act and the conditions attached to the authority have been complied with by the Foundation, and
- (d) The internal controls exercised by the Foundation are appropriate and effective in accounting for all income received and applied by the Foundation from any of its fundraising appeals.

INDEPENDENT AUDITOR'S REPORT

To the members of The Surf Life Saving Foundation

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of The Surf Life Saving Foundation (the Company or Registered Entity), which comprises the statement of financial position as at 30 June 2022, the statement of profit and loss and other comprehensive income, the statement of changes in foundation funds and the statement of cash flows for the year then ended, notes to the financial report, including a summary of significant accounting policies and the statement by members of the board of directors.

In our opinion the accompanying financial report of The Surf Life Saving Foundation, is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991* including:

- (i) Giving a true and fair view of the registered entity's financial position as at 30 June 2022 and of its financial performance for the year ended on that date; and
- (ii) Complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the directors for the Financial Report

The directors of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act, the *Charitable Fundraising Act 1991* and the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.
